DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 15, the prior arts fail to teach "upon detecting assertion of a first user interface input that comprises a command to display blocked unique identifiers, displaying at least a first memory location address as corresponds to a unique identifier as is then stored in the memory in association with one of the blocking indicators", as cited in the claims.

Regarding independent claim 10, the prior arts fail to teach "user interface means for causing memory location address that correspond to identifying information for blocked remote control transmitter to be displayed in response to a command that blocked transmitters be displayed", as cited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
